#### ABOUT NLDP:

NLDP is a command-wide program designed to develop both civilian and military members into senior leaders. The program is open to the following personnel:

- Supervisory civilians GS-12 (GS-12 step 4 equivalent for other pay bands, i.e., STRL/FWS) who have graduated from the Journey Leadership Development Program (JLDP)
- Civilians GS-13 to GS-15 (GS-13 step 4 equivalent for other pay bands, i.e., STRL/FWS)
- Military E-7 to E-9, CWO2 to CWO5, and O-4 and above

As the command's flagship leadership program, NLDP is designed for high performing NAVAIR military and civilian employees with demonstrated leadership potential. In addition to classroom-based leadership training and mentoring, the three- to five-year program includes job shadowing, networking and developmental assignments. Applications will be accepted 17 January through 3 March 2017.

Note: A second ECQs workshop will be held Wednesday, 9 November 2016. You only need to attend one workshop.
